## Registering

To purchase assessments and classes from Learning Without Scars (LWS), you must register in order to create a profile. Although you can do this at any point including checkout, it is recommended to create your profile as soon as possible since it only has to be done once. From this point forward, you will simply need to sign in with your credentials.

- 1) When you access the Learning Without Scars website (LearningWithoutScars.org), in the top right corner of the screen there will be a bust icon which is used to Get Registered or Login.

- 2) After clicking on the icon, you will be presented with the following screen. Click on the **Get Registered** button on the right side of the screen.

A screenshot of the user registration and login interface. The interface is split into two main sections. The left section is a light gray box containing a login form with fields for 'Username \*' and 'Password \*', each with a placeholder 'Enter user name' and 'Enter password' respectively. Below the password field is a 'Forgot password?' link. At the bottom of the form is a 'Remember me' checkbox and a red 'Login' button. The right section is a white box with the text 'Don't have an Account? Register one!' and a red 'Get Registered' button. A red arrow points up to the 'Get Registered' button.

## Education Overview

Education at Learning Without Scars is broken down into 3 major learning tracks which can be found under the Education menu option dropdown.

### Certifications

We offer three certification levels for five departments with various job functions that will guide you along a path to understanding the complexity of many tasks and accountabilities in your job. The certifications classes will allow you to learn best practices that help you attain that level of learning.

### Job Functions

Job functions focus on assessing your skill and knowledge level to determine the path for education improvement. We have laid out a simple Steps to Success – It's easy as 1-2-3-4 with our process that will guide you through the process.

### Curriculums

We offer 32 classes in Parts, Service, Selling, Marketing, and Customer Service as well as various classes for Professional Development. These classes can be chosen individually as desired.

- 3) You will then be prompted to select the area of interest. Click on the desired button.

## CERTIFICATIONS

Welcome to Learning Without Scars. We are pleased to offer you 3 certification levels for 5 departments across various job functions.

# Learning Without Scars Online Education

- 4) The certifications screen for the selected department will be displayed showing the various certifications available. **To start the certification process, you MUST first take the FREE Diagnostic Assessment.** The score you achieve will determine how you proceed.

If you scored 40% or less, you will need to take the Prerequisite Bundle of 8 classes before progressing to the Basic Certification level.

If you scored 41% to 60%, you can purchase the 8 Classes bundle under Basic Certification. After completing the 8 classes, you can then purchase and take the Basic Certification Test.

If you scored 61% to 80%, you can purchase the 8 Classes bundle under Advanced Certification. After completing the 8 classes, you can then purchase and take the Advanced Certification Test.

If you scored 81% to 100%, you can purchase the 8 Classes bundle under Master Certification. After completing the 8 classes, you can then purchase and take the Master Certification Test.

## PARTS DEPARTMENT CERTIFICATIONS

Welcome to Learning Without Scars. We are pleased to offer you 3 certification levels for 5 departments. You will also be presented with 8 recommended prerequisite classes to ensure you have the base knowledge requirements for taking the certification.

### PARTS MANAGER

Managing a dealer parts department involves the complexity of many tasks and accountabilities. Parts department operations contribute significantly to dealer profitability and it's important to achieve maximum efficiency and productivity. Through LWS parts manager certification classes you will learn best practices that help you attain that.

### Description

Selling is as old as the hills and most people think it is a function that requires you be good with people. The Sales Function also requires strong back office support. Dealer Business Systems development has allowed the management of territories with market segmentation and call reporting. Territory Potentials and Market Capture have also required we be able to provide office support to the sales force.

The comprehensive skills assessment covers all of the topics and subject matter required in the course of performing the sales support job function. In assessing this position, we have taken all of the classes involved in selling and marketing and created a skills assessment. We have taken the 900 questions, from the pretest and final assessment, from all of the classes offered for Selling. We have taken all of these questions and boiled them down to ninety essential questions. Each question has an answer within a multiple-choice selection.

The results from the CSA, Comprehensive Skills Assessment, categorize the skills and knowledge of the individual being assessed, into one of our four levels of accomplishment: Developing, Beginning, Intermediate, and Advanced.

These assessments can be used, in conjunction with background checks and interviews, to screen applicants before they are hired. They should also be used in the annual performance review with each employee. They can even be used as a foundation piece of information related to the wages and salaries paid to the employees. Finally, and this is the genesis of the creation of the comprehensive assessment skills, the assessment has been developed to be used to create a specific employee development program for each employee in the parts and service business teams.
